"Welcome to Burger Boss," a female voice emanated from the small speaker. "May I take your order?"

I knew exactly what I wanted—Double Boss Burger, medium order of fries, and a large root beer—but didn't say a word. There was something familiar about the young lady's voice.

Scrutinizing her face, I produced my wallet and forked over the cash. I tried to place her, tried and failed miserably. Hers was an unfamiliar face, a stranger's face. I had never seen her before. I was sure of it. Val, read the nametag on her uniform shirt. This meant nothing to me. But her voice—well, that was an entirely different matter. I had definitely heard it somewhere. Still, I just couldn't place it.

She handed me my change.

88 cents per min

She didn't say a word. I dropped the bag in her lap. Her curiosity piqued, she reached inside and pulled out the magazine.

Did I know her? Had we crossed paths before? Sitting there behind the wheel of my car, I wracked my brain for an answer.

"Hello?" she said.

I apologized for the silence, then placed my order. She told me my total and asked me to drive around to the window. I was stoned out of my skull, stoned and contending with a serious case of the munchies.

I couldn't wait to feed my face. And get a looksee at the chick who had taken my order. Curiosity piqued, I pulled up to the window.

"Seven twenty-five," she repeated my total.

Moments later, I wheeled out of the parking lot with my food and headed home.

I couldn't sleep that night, tossing and turning in my bed. My brain wouldn't shut down; it was too busy trying to solve the mystery of Val's voice . . .

Life continued in typical humdrum fashion. I went to work, watched TV at night, got up in the morning and did it all over again. The enigma of Val's voice never relented; it dogged my days and nights, refusing to loosen its vise-like grip on my psyche.

One Friday night, lonely and more stoned than usual, I decided to call my preferred phone sex hotline. I limited these calls to twice a month. Phone sex is rather pricey, and I wasn't exactly made of money. Two calls per month was enough to scratch the itch without breaking the bank.

My routine never varied. If it ain't broke, don't fix it. That's my motto, anyway.

Having gotten undressed, I plucked a bottle of lube from the nightstand drawer and planted myself on the couch. Phone in my left hand, thoroughly lubed cock

in my right, I dialed the number.

It wasn't long before I had my favorite provider on the line. Tessa was the best, a real pro who knew not only what to say but exactly how to say it.

Tonight's session was no exception. We engaged in some preliminary chitchat before getting down to the nitty-gritty. My dick responded, swelling in my pumping hand as Tessa talked dirty . . .

"That's right, baby. Stroke that big cock for me. I can't wait to feel you inside my tight pussy . . ."

And then it hit me.

Boy, did it ever.

Tessa was Val!

No wonder the chick at the Burger Boss had sounded so familiar. I had talked to her on the phone countless times before, invariably while jerking my Jimmy!

Fast food worker. Phone sex operator. I wondered if Val had a third or even fourth job. It wouldn't have surprised me. Living in L.A. isn't exactly cheap. I often wondered why I didn't quit my job, pack up my shit, and move somewhere more affordable.

Phone pressed to my ear, my right hand moving up and down my shaft with increasing speed, I thought about sharing my discovery with Tessa. "Hey, baby, I know who you are," I imagined myself saying. "You're Val from the Burger Boss on Sepulveda. You took my order a few nights ago. Small world, huh?" But I didn't say a word. I just kept on beating my meat as she panted and moaned in my ear.

"Come for me, baby! Blow that big wad!"

I did just that, shooting a sizable load all over the floor in front of the couch. I wanted to talk to her some more. But those minutes add up fast, and I had already stayed on the phone longer than I

had intended.

"Until next time," I told her in parting.

Having solved the mystery of Val's voice, I enjoyed my first good night's sleep in almost a week. Of course, there was still work to be done. I wanted to drop by Burger Boss and introduce myself to Val, wanted to tell her how much joy she—under the guise of Tessa—had brought to my life.

Understand, I've never had much confidence when it comes

to women. Big surprise, huh? The phone sex industry was invented for guys like me. Shy guys. Bashful types. Dudes who get tongue-tied in the presence of an attractive female.

I must've cruised past Burger Boss half a dozen times the following weekend before finally summoning the courage to stop.

It was late Sunday night, about half an hour prior to closing, when I whipped into the drive-thru lane. I had no idea if Val was working. Hands on the wheel, my attention torn between the menu and the small speaker, I waited with bated breath. An eternity seemed to pass before somebody finally took my order.

"Welcome to Burger Boss. May I take your order?"

It was Val!

I recognized her voice immediately. Heart thumping crazily, pulse pounding with excitement, I placed my usual order and drove to the window. My stomach was filled with butterflies. I was stoked, sure, but also nervous as hell. Would I have the guts to tell her that I knew all about her other job, that Tessa was my all-time favorite phone sex operator? Or would

I chicken out, pay for my food, and drive home without saying a word? It was a tossup, for sure.

Val greeted me at the window, ran my card, and handed over my receipt. Shoulder-length raven hair framed her pretty face. Her tight-fitting uniform shirt, replete with nametag, accentuated a nice set of tits. Perfectly sized half-melons, I thought while waiting for my food.

"There you go," Val said, handing over a grease-stained bag.

The food smelled wonderful. Val smelled even better. I placed the bag on the passenger seat. But I didn't drive away. Thankfully, there was nobody behind me. Of course, this could change

at the drop of a hat. It was now or never . . .

"Thanks, Tessa," I managed to say.

Val didn't say a word; she just stared at me in stunned silence. I came clean, telling her that she was my favorite phone sex opera-

are you tonight? Val or Tessa?"

"Definitely Tessa," she had told me, explaining that she wanted to spend the evening in character.

"Character?" I had inquired.

"Tessa is a fictional creation. She's the dream girl every guy wants to fuck. She'll do anything

we were going to actually have sex, or if she just wanted to watch me masturbate.

I upended the bottle and drizzled my dick with lube. I started to stroke myself when she grabbed my wrist and said, "The phone."

I searched her face. "You want me to actually hold my phone?"

"Is that a problem?"

"No," I said.

Moments later, I found myself performing a full reenactment of my routine. Left hand holding the phone, right hand pumping my liberally lubed pecker, I watched her watching me.

Until she moved behind the couch and lowered her mouth to my ear. Tessa followed her phone performance to a tee, using the exact same words and phrases; the only difference being that I could actually feel her hot breath on my skin.

"That's right, baby. Stroke that big cock for me. I can't wait to feel you inside my tight pussy . . ."

Minutes later, I blew a ball-bag full of jizz all over the floor. It wasn't until Tessa came out from behind the couch that I realized she had masturbated during the reenactment. Straightening her skirt with one hand, she raised the glistening fingers of her other and licked them clean.

"Mmmmmmmmm . . . yum-my pussy," she said, grabbing her purse from the coffee table. "Till next time, lover boy." She walked out the door, leaving me there on the couch with my rapidly shrinking schlong.

A lot of guys in my shoes would have been highly disappointed with the date. After all, I didn't get any pussy. Hell, I didn't even get a BJ.

But those guys lack imagination.

And I can guarantee you they've never heard a voice like Tessa's.

tor, thanking her for many a wonderful session.

"You're the best in the business," I added.

I thought she was going to deny it. But no. She came clean, too. "You've got a good ear."

"Yeah, well, you've got an unforgettable voice."

Meanwhile, a line of cars had formed behind me.

"I wish we could talk some more," Val said, "but I'd better get back to—"

"Can I have your phone number?"

She didn't hesitate before grabbing a pen and writing her digits on a napkin. "Here."

"Thanks, Val."

"Call me Tessa . . ."

Three days later we had a few drinks—whiskey sours for Val, draught beers for me—at a bar on De Longpre Avenue. "So," I had asked her right off the bat, "who

you want, anything at all . . ."

This was true, of course. I knew this from experience. Tessa was DTF in any way, shape or form. Over the phone, at least. As for an actual face-to-face date like the one we were on—well, I had no idea.

But I found out soon enough; this after I paid our tab and we went back to my place. No sooner had I closed the door than she said, "Show me."

"Show you what?"

"Your phone sex routine. I want to see exactly how you get off when talking to Tessa."

I hastened to the bedroom, took off my clothes, and grabbed my lube from the nightstand. Tessa stood in the doorway watching me with rapt attention. She followed me to the couch where I sat down. My dick was nice and hard. Disrobing in Tessa's presence had seen to that. Still, I didn't know if

"A year ago, I didn't think I'd be doing this, but here I am. Sex has taken on a whole new meaning for me. I used to think that sex with love was the best, and it still is, but in a different way. If you're just looking for the sex part of it, you don't need love. And with love, you still need to have sex. So here I am!"

Tempting My Tutor

When I entered for the chance to fuck my favorite camgirl, I never actually expected to win. Thousands had applied, and I doubted how appealing my application would be when I wrote down that I was a virgin. I received an email for a follow up interview, and two weeks later I was standing outside the hotel room wiping my sweaty hands down my pants.

Stepping into the room, I was greeted by Kristal Haven lounging on the bed, her tits barely contained by a black bra. Behind her sat a burly guy with a camera.

"Hey there, sexy," Kristal patted the space beside her on the bed. "Come on in." I swallowed hard, stiff limbs carried me towards her before I could chicken out. After getting a closer look at her tits, my legs were no longer the stiffest part of my body. Kristal noticed me readjusting while I sat down and grinned. "Let's get you out of these clothes, shall we?" she reached out to unzip my fly. I lifted my hips, allowing her to tug my clothes down my legs and free my rigid shaft. It bobbed, already leaking precum as Kristal wrapped a manicured hand around it and stroked me.

"Mmm, not bad," she murmured, pumping her fist. "Lie back and let me take care of this for you, baby." I settled back as Kristal shuffled down between my spread thighs. She wrapped her lips around the head of my cock and sank down, taking me deep into her mouth.

"Holy fuck."

I fantasized about this moment so much in the following weeks, but the reality was so much better than I could have anticipated. She could take me all the way to the base, her nose pressed against

my pubic hair as she swallowed around my throbbing cock. And the way she looked up at me was almost enough to make me blow my load immediately. After a few minutes of her head bobbing up and down my full length, I urged her off. She released me with a loud slurp and a strand of saliva connecting her bottom lip to the tip of my dick.

"Get up here," I demanded. She made a show of taking off her bra and throwing it to the side before she finally joined me on the bed. The cameraman handed her a condom that she swiftly unwrapped and slid down over my dick. Kristal straddled me, and my face grew hot watching her fingers move her thong to the side and position my cock against her pussy. My hands settled on her

waist to help keep her steady. Then, with a roll of her hips, she sank down. I groaned, my fingers digging into her skin as I savored the warm, wet heat surrounding my cock.

"Fuck, you're so tight." I clenched my jaw, hips beginning to thrust up into her. Kristal giggled and ground her clit down against me.

"Mmm, and you're so big," she braced her hands on my chest as she bounced on my cock. "Don't hold back, baby. Fuck me hard!" I gripped her waist and

Each snap of my hips brought ripples across her skin and a new, sweet groan from her lips. For a moment, she froze and tensed up.

slammed up into her. The sound of our skin slapping against each other filled the room and mingling with her moans. My orgasm was building fast, the sight of her full, bouncing breasts was too hypnotizing to look away from.

"Shit, I'm gonna come," I warned.

"Then come for me, baby," her pussy clenched around me, encouraging me. I thrust up one last time, grinding my pelvis against hers as I exploded. My cock jerked and twitched, spurt-

ing thick jizz into her. Well, into the condom, really. But I wasn't done yet. Not by a long shot. Once I softened and slid out of her, Kristal removed and held up the full condom, showing it off to the camera with a smile.

"Look at all this yummy cum," she cooed, squeezing the latex from the bottom up until a stream of white spilled out onto her heaving tits. She smeared it into her skin and winked at the camera. Tossing the empty condom aside, and turned towards me.

"Ready for round two, stud?" Kristal positioned herself on all fours in front of me, wiggling her hips invitingly. My cock surged back to full mast in no time. I grabbed a new condom from the cameraman and rolled it on. Admittedly, I was much slower than she had been at it, and my fingers were shaking a little bit. I kneeled behind Kristal, positioning my cock around the area I thought was right. She reached back to correct my aim and I finally sank back into her tight cunt. She let out a low moan, arching her back to take me deeper.

The camera pointed down to view her ass. Each snap of my hips brought ripples across her skin and a new, sweet groan from her lips. For a moment, she froze and tensed up. I paused, surprised to feel her slick walls contract and grip me like a fist. She screamed, squirting all over me and the white sheets below. After she came down from her orgasm, I continued pounding her.

"Fuck, you have a perfect ass." My breathing was heavy and I knew I wasn't going to last much longer. I pulled out and tore off the condom, stroking myself a couple times before I was shooting ropes across her ass and up her back. Everything I had went into that orgasm. I pulled back to let the camera have a view of her soaked skin. My balls ached, and my thighs trembled with exhaustion. Kristal gave my softening shaft a parting kiss before climbing off the bed.

"Well, baby, that was fun," she said. I chuckled in disbelief. If not for the physical evidence, I wouldn't believe any of that had been more than a silly figment of my imagination. But there's a video of it all, and thousands of people have seen me lose my virginity to the hottest camgirl in existence!
